

DAY 1

ROOTS

SEED TO FLOWER

FOCUS

Planting the word of God in someone,
and watching God make it grow!

MATERIALS

ACTIVITY

SHARE & GROW

TALK: Today let's remind our Tiny Arrow about what we learned last Friday about God's Word growing in someone!

ACTIVITY: Grab a piece of paper and crayon and have them start by drawing a circle or oval for the seed. Tell them the seed is God's Word! Then start drawing roots and a stem and tell them God is the gardener, he makes things grow and we can help to water the seed by adding to it. We can tell someone God's Word or give them hugs and fellowship! Draw the plant until it is a flower and tell them from something so small, can come something so big!
