2. MANY NAMES FOR GOD

TALK: God is called many names in the bible, and we are going to learn about 7 of them! Elohim, Yahweh, El Elyon, Adoni, Immanuel, I AM and Jesus.

ACTIVITY: Color the tower with the names on them.

CORRESPONDING VERSE

THE NAME OF THE LORD IS A FORTIFIED TOWER; THE RIGHTEOUS RUN TO IT AND ARE SAFE.
PROVERBS 18:10

ACTIVITIES

3. ELOHIM

TALK: Elohim means Supreme God, Judge and Creator. God is the God of the whole world! His name should be praised by every part of the world that he made!

ACTIVITY: Have all kids run to a different part of the world map drawn in chalk and praise His name from around the world!

4. YAHWEH

TALK: Yahweh is the name God calls himself.

ACTIVITY: Draw a picture of something Yahweh made and write Yahweh's name on the line.

CORRESPONDING VERSE

THE LORD IS EXALTED OVER
ALL THE NATIONS.

PSALM 113:4

I AM YAHWEH, THAT
IS MY NAME!

ISAIAH 42:8

5. EL ELYON

TALK: El Elyon means the Most High God!

ACTIVITY: Have children paint the palm of their hands and jump as high as they can and touch the paper.

"I HAVE LIFTED MY HAND TO
THE LORD, GOD MOST HIGH."

GENESIS 14:22.

6. ADONI

TALK: Adoni means Lord or Master. It is like you come to him on his throne like a knight visiting a King or Lord.

ACTIVITY: Have children come before chair/throne like someone talking to a King or Lord on a throne.

BONUS: Give the children a sword to hold—like a knight before a king.

GOD REIGNS OVER THE
NATIONS; GOD IS SEATED
ON HIS HOLY THRONE.

PSALM 47:8

7. IMMANUEL

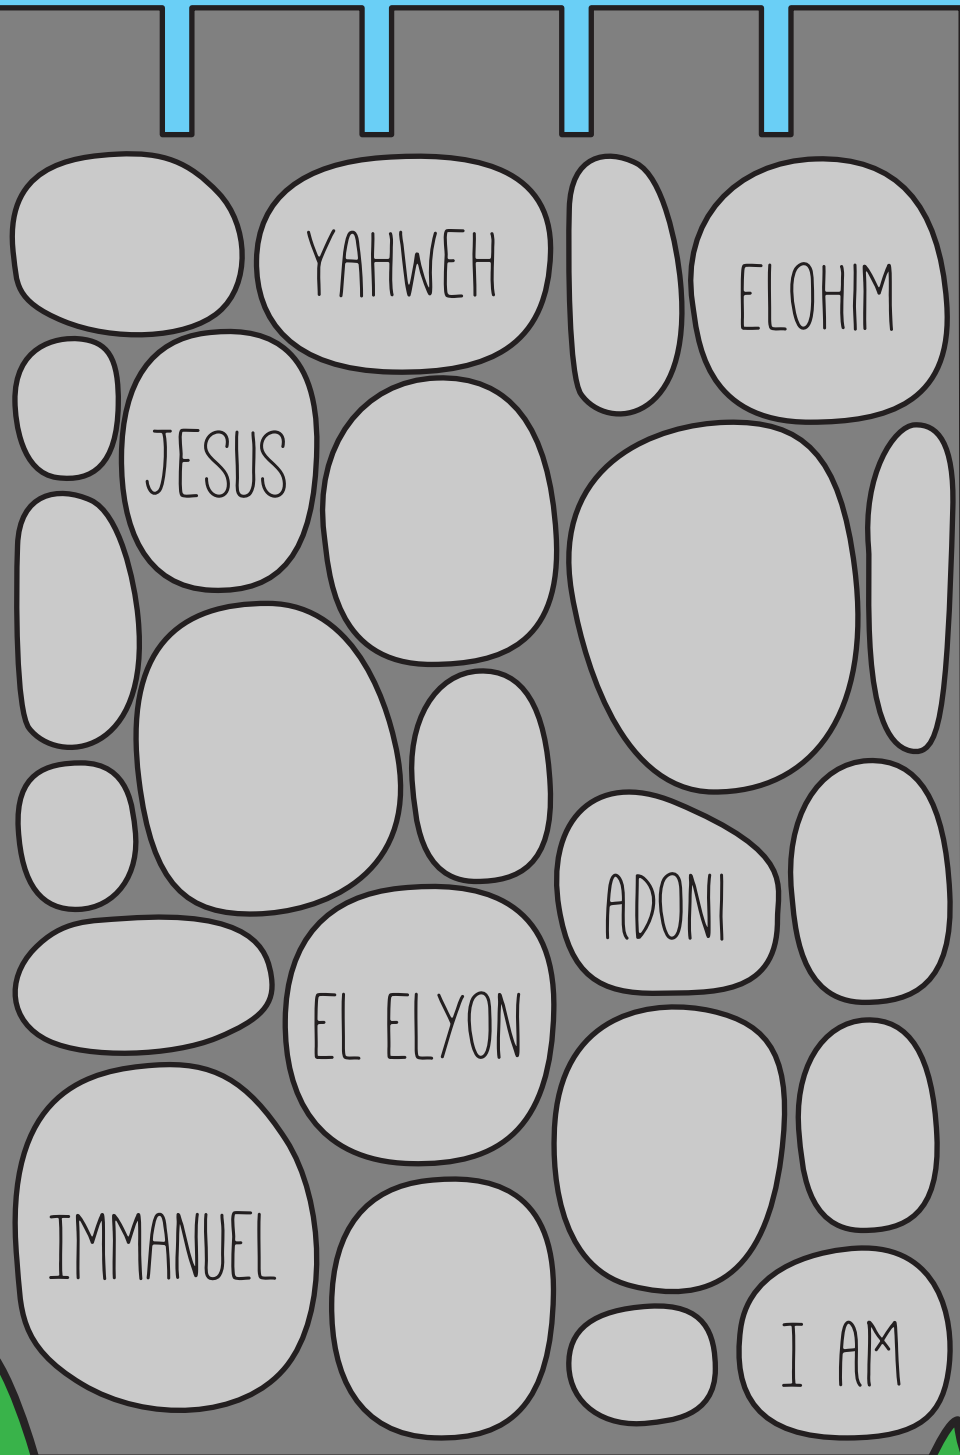

TALK: Immanuel means God with us! He is with us and helps us! Like when your parent takes your hand and leads you the right way, God will take our hand and lead us the right way!

ACTIVITY: Set up a small obstacle course for the child to go through with their parent holding their hand and walking them through it. If the child is willing, have them close their eyes and rely solely on the parent to lead them.

WILL CALL HIM IMMANUEL...
HE KNOWS ENOUGH TO
REJECT THE WRONG AND
CHOOSE THE RIGHT.

WORLD MAP

I used chalk to draw the world map on the driveway.
Large enough for the children to run to and have space.

MADE THIS

GOD MOST HIGH

I taped two long pieces of white paper together and then taped them to the side of the house.

OBSTACLE COURSE

I used various child friendly toys, chalk, thick yarn and poles to form a criss cross pattern, and milk cans for the children to walk from one end to the other. I also made a castle like structure with 4 pieces of large cardboard taped together, and the 7 names we learned written on the stones.
