

# CAN'T GET ME DOWN

God's going to build me up  
And the Devil can't bring me down

I'm speaking the words of God  
And the Devil can't talk me down

God's going to build me up  
And the Devil can't bring me down

I'm speaking the words of God  
And the Devil can't talk me down

God's going to build me up  
And the Devil can't bring me down

I'm speaking the words of God  
And the Devil can't talk me down

Can't bring me down  
Bring me down  
Bring me down

Can't talk me down  
Talk me down  
Talk me down

I'm putting on my fighting gloves  
And the Devil can't knock me down

Whatever he does, the Devil can't get  
me down

I'm putting on my fighting gloves  
And the Devil can't knock me down

I'm putting on my fighting gloves  
And the Devil can't knock me down

Can't knock me down  
Knock me down  
Knock me down
