

VICTORIOUS CROWN

FOCUS

DEUTERONOMY 30:6 & REVELATION 2:10

For us to wear a victorious crown, we need to first confess our sins and circumcise our heart. We can ask God to transform us into something holy! Each rock of sin that was tripping us can be transformed into a sparkling gem that we can wear on our victorious crown!

ACTIVITY

VICTORIOUS CROWN

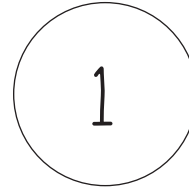

TALK: To get our victorious crown, we first need to say our sins out loud! We can confess to our parents what sins are keeping us from being holy! Then we can ask God to take the sin from our hearts! Once we identified what sin we want to replace, we can find out the opposite of it! I no longer want to be disobedient, but obedient! We can write the holy version in our hearts and ask God to make it a gem on our victorious crown!

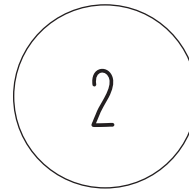

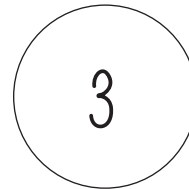

ACTIVITY: Discuss with your Tiny Arrow different sins that they can work on. Have them say it out loud and ask God to remove them from their heart. Then on the opposite page write down the opposite of that sin (disobedient to obedient). Once you have written them down, have your Tiny Arrow, with your help, write them on the heart on the next page. Once they are all written, go through them one by one, and pick a gem to represent each. Then ask God to help you be victorious and stick the gem on the crown!
