

## ACTIVITY

### TASTE & SEE

**TALK:** When the Israelites reached the promised land, after leaving Egypt, Moses sent 12 men to explore the land. He asked them to see what the land was like, if there were lots of people or only a few, if the people were strong or weak, if they lived in towns and if the towns had walls, and to see if the land had good soil! Then he asked them to bring back some fruit so they could see what grows there!

**ACTIVITY:** Today let's read Numbers 13:17-20 then let our Tiny Arrows explore! They can explore the backyard, a park, wherever! Have them look at the place with fresh eyes and either write or draw what they see on the back of this page. Then have them find a sample from the place they visited (a rock, toy, etc.) and bring it back to you!
