

GO!

When God says go, go!
Take along what you know
Grab a friend and go
And tell the world about Jesus
Tell the world about Jesus

When you go pray! Pray!
God will help you with what to say
Who to talk to along the way
And tell the world about Jesus
Tell the world about Jesus

When you go cheer! Cheer!
You will have nothing to fear
The Holy Spirit will be near
And tell the world about Jesus
Tell the world about Jesus

When you go with love! Love!
You will be strengthened from above
When you treat others with mercy
and love
And tell the world about Jesus
Tell the world about Jesus

When you go be bold! Bold!
Disciple to the young and old
Teach them to break the mold
And tell the world about Jesus
Tell the world about Jesus

So when God says go! Go!
And tell the world about Jesus
Tell the world about Jesus
