

# SPARKLE & SHINE

## SPARKLE & SHINE

## GOLD

### FOCUS

GENESIS 2:11-12 & 24:22, EXODUS 25:11 25:24 & 30:3,  
NUMBERS 8:4, 2 SAMUEL 12:30 & JOB 23:10

Gold is a precious metal! It was used for jewelry, money, crowns and pieces in the Tabernacle!

### MATERIALS

Gold coloring page and fools gold (1 set per child)  
Gold pony beads and string (1 set per child)  
Gold crown with stick on gems (1 set per child)  
Gold play-doh (1 per child)  
Tabernacle coloring page (1 per child)  
Melting point coloring page (1 per child)  
Gold & silver crayon

### ACTIVITIES

#### 1. GOLD

**TALK:** Gold is a precious metal and can be used for things like money, decorations and jewelry! It is bright, heavy and shiny! You can find gold in places like the ground, in the water and in caves!

**ACTIVITY:** Have your Tiny Arrow search for the fools gold then fill out and color the Gold fact sheet.

#### 2. DUCTILE

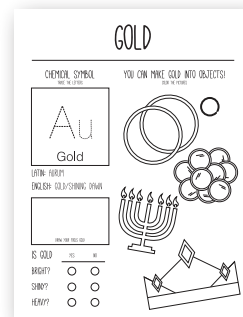

**TALK:** Gold is ductile! That means it can be made into thin strands that are strong so you can make jewelry! Abraham's servant even gave Rebekah a present of gold jewelry! He gave her a nose ring and bracelets all made out of gold!

**ACTIVITY:** Help your Tiny Arrow make a bracelet with gold pony beads.

### CORRESPONDING VERSE

THE ENTIRE LAND OF HAVILAH, WHERE THERE IS GOLD. (THE GOOD OF THAT LAND IS GOOD)

GENESIS 2:11-12

WHEN THE CAMELS HAD FINISHED DRINKING, THE MAN TOOK OUT A GOLD NOSE RING WEIGHING A BEKA AND TWO GOLD BRACELETS WEIGHING TEN SHEKELS.

GENESIS 24:22

## ACTIVITIES

### 3. VALUABLE

**TALK:** Gold is very valuable! It was used to signify wealth and power! Even kings made their crowns out of gold!

**ACTIVITY:** Let your Tiny Arrow stick the gems on the crown, then help them put it on.

## CORRESPONDING VERSE

DAVID TOOK THE CROWN FROM THEIR KING'S HEAD, AND IT WAS PLACED ON HIS OWN HEAD. IT WEIGHED A TALENT OF GOLD, AND IT WAS SET WITH PRECIOUS STONES.

2 SAMUEL 12:30

THIS IS HOW THE LAMPSTAND WAS MADE: IT WAS MADE OF HAMMERED GOLD—FROM ITS BASE TO ITS BLOSSOMS.

NUMBERS 8:4

### 4. MALLEABLE

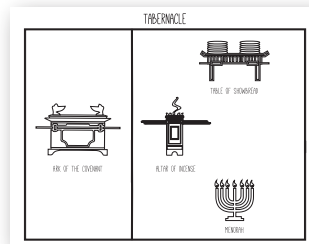

**TALK:** Gold is malleable, that means if it is stressed enough it can be shaped! You can hammer it to make the shape you want! Just like they hammered the menorah into the right shape!

**ACTIVITY:** Have your Tiny Arrow shape the gold play-doh into the shape of a lamp.

### 5. REFLECTIVE

**TALK:** Gold is very shiny! It can reflect light even in dim light! God told Moses to use pure gold to cover the Ark of the Covenant, Table of Showbread, and the Altar of Incense. The Menorah was also made of hammered gold! All of the pieces that were in the tabernacle would still have been shiny in a dim tent!

**ACTIVITY:** Have your Tiny Arrow color the Ark of the Covenant, Table of Showbread, Menorah and the Altar of Incense with a gold crayon.

OVERLAY IT WITH PURE GOLD

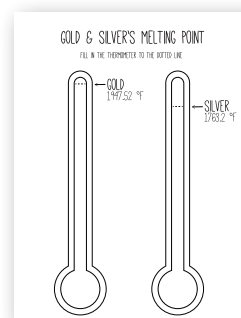

EXODUS 25:11 25:24 & 30:3

### 6. MELTING

**TALK:** Gold is a solid, but you can also melt it into a liquid! It needs a lot of heat in order to shape it! It does not break down naturally, but only with a lot of pressure! In the book of Job he told his friends that God knew the way that he would take, and even under pressure, when he was tested, he would stay strong!

**ACTIVITY:** Have your Tiny Arrow fill in the Melting Point coloring page with using the gold and silver crayons. Then have them place their hands up in front of you like you are going to give them a high five. Gently press against their hands, explaining that they need to stay strong to keep their hands in the same position. Do it a second time a little harder, then tell them when things get hard, we need to still stand strong and do the right thing!

**OPTIONAL:** Hand out each child a bible verse to take home.

BUT HE KNOWS THE WAY THAT I TAKE; WHEN HE HAS TESTED ME, I WILL COME FORTH AS GOLD.

JOB 23:10

BUT HE KNOWS THE WAY  
THAT I TAKE; WHEN HE HAS  
TESTED ME, I WILL COME  
FORTH AS GOLD.

JOB 23:10
